

## Title:

Fixing Windows Taskbar

## Summary/ Intro:

Icons not opening on the taskbar, for an example you can't click\open the volume icon.

## Steps:

Step 1: Go to **Type here to search** (bottom left of your computer/laptop  )

Step2: Type **Task Manager** then double click

Step3: Navigate to **Windows File Explorer** then click (Make sure it's highlighted)

Step4: Click on **Restart**

Task Manager
